

Enrol Now for 2026

Modern, state of the art classrooms, day schooling and boarding facilities for boys and girls. Our curriculum provides academic and vocational pathways, enabling the best possible employment opportunities. Your child will enjoy small class sizes, individual student attention for maximum outcomes, including sporting and cultural opportunities.

Our college is founded on the basis that no child will be denied a Catholic education based on financial hardship. Generous fee concessions apply to holders of means-tested concession cards and those with a genuine inability to pay.
